

PRICE GUIDE: BESPOKE CELEBRATION CAKES

Your special cake will be designed just for you, and I'm here to help you decide on what fits your occasion perfectly. The sky's the limit, really, but here's a small selection just to give you an idea of price.

The final cost of your cake will depend partly on its size and largely on the complexity of the decoration, ie the number of hours it will take to decorate, which is why I'm using 'from' prices (each one is different!). I'm happy to quote accurately any time.

Portions are approximate and based on the cake being cut into a grid pattern for easy-to-serve rectangles (rather than cafe style wedges). The size refers to the diameter of the cake.
